**MEMORANDUM FOR: Acting Director of Training**

**SUBJECT : JOT Support Services Course  
Communications Training**

25X1A  
1. Only two hours are devoted specifically to the commo function in the present JOT Support Services Course. This is a presentation by [REDACTED] who is the Administrative Officer of the Office of Communications, entitled, "Case Histories, The Communication Function of Overseas Stations".

2. Like other offices in the DD/S, Commo was asked to participate in the course and this is the form that their participation has taken. At the time, the Office of Communications indicated that they prefer to rely on their own training system on a case-to-case basis. It is my opinion that this is not an adequate coverage of this subject, and I am asking the Chief, Headquarters Training and the Chief Instructor to give me a report on this coverage and their views of its adequacy.
